Dear Members

There is no place like home for this season. Xmas is a time to reach out to family & friends.

It is the most wonderful time of the year

Charity for us is here at home. If for any reason, you find the ticket prices beyond your reach, then please in confidence, phone any member selling tickets for a concession.

This includes any young family, new migrant, pensioner or vulnerable member .

ARAIA hopes to see you & your family at The New Year's Eve Dance.
